### **PROFIT WARNING**

This announcement is made by Tong Kee (Holding) Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on the GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary review of the consolidated results of the Group for the year ended 31 December 2020 (the “**Relevant Period**”), it is anticipated that the Group may record a loss not less than HK\$0.5 million for the Relevant Period as compared to the profit of approximately HK\$2.3 million recorded for the year ended 31 December 2019.

Stepping into 2020, the outbreak of the novel coronavirus (COVID-19) and its escalation on a global scale has triggered unprecedented disruptions in business operations and to the economy. While it would be difficult to gauge the longer term impact of such events as the situation is dynamically revolving, the Group has been proactive in closely monitoring the market conditions and taking appropriate measures to respond to the challenges. During the year ended 31 December 2020, the Group has suffered temporary suspension of some of the construction works from February to August 2020 as a result of the COVID-19 epidemic, which has led to delays in schedule of on-going projects of the Group and a decrease in the amount of work recognised during the year ended 31 December 2020.

Despite all of the works of on-going projects of the Group has since resumed, the Group has to incur extra cost in order to catchup the scheduled work. The Group will continue to monitor the development of the COVID-19 epidemic and its impact on the operations and results of the Group, if any.

The expected decrease in profit for the Relevant Period was primarily attributable to (i) significant decline in gross profit comparing with the year ended 31 December 2019 due to the increase in cost of sales including, but not limited to, subcontracting cost, material costs and direct staff costs during the Relevant Period; (ii) decrease in recognition of revenue; and (iii) the increase in administrative cost as a result of the increase in provision of ECL and depreciation during the Relevant Period.

As at the date of this announcement, the Group is still in the process of finalizing the consolidated results of the Group for the Relevant Period. The information contained in this announcement is only based on the preliminary assessment of the unaudited consolidated management accounts of the Group made by the Board with reference to the information currently available to the Board and is not based on any figure or information which has been audited or reviewed by the auditors of the Company or reviewed by the audit committee of the Board and may be subject to adjustments where necessary.

Shareholders and potential investors are advised to read carefully the results announcement of the Group for the Year, which is expected to be published by 22 March 2021.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
